

# CARE4TODAY™ PATIENT DASHBOARD

care4today™  
Patient Dashboard

offers care providers and pharmacies timely monitoring of self-reported medication adherence for patients using Care4Today™ Mobile Health Manager.

## From the Dashboard, providers can:

- Monitor patients' adherence by medication
- Print patient opt-in instructions
- Sort data by Name, Adherence Percentage & Alert
- Create and print Individual Medication Plans
- Print individual adherence reports

IT'S  
MORE  
THAN JUST  
REMINDERS

## Care4Today™ Mobile Health Manager lets you:

- Enter your medication from your mobile phone or computer
- Set up medication reminders
- Schedule prescription refill reminders
- Track how often you take your medication
- Share information about your medication usage with your doctor
- Care4Family® gives loved ones the ability to support one another by encouraging them to take medications on schedule.
- Care4Charity® allows people who take care of their own health to make a positive difference in the world.
