

CARE4TODAY™ MOBILE HEALTH MANAGER

It's More Than Just Reminders

We know that taking medication on time is not always easy. That's why we've created Care4Today™ Mobile Health Manager. Care4Today™ Mobile Health Manager is designed to help you manage your medications, using technology you already have.

CARE4TODAY™ MOBILE HEALTH MANAGER LETS YOU:

- Enter your medication from your mobile phone or computer
- Set up medication reminders
- Schedule prescription refill reminders
- Track how often you take your medication
- Share information about your medication usage with your doctor
- **Care4Family**® gives loved ones the ability to support one another by encouraging them to take medications on schedule.
- **Care4Charity**® allows people who take care of their own health to make a positive difference in the world.
